Circular Letter No. 132.

Subject: PAMPHLETS, "COOPERATIVE ENGLISH PLAN" (Bulletin No. 3, Whole No. 111), AND "CONJUGATION OF THE MODEL VERB TO TAKE" (Bulletin No. 29, Whole No. 50)

To Supervisors, High School Principals, Teachers of High School and Continuation English:

The two pamphlets named above are for use of teachers and students in the English classes and are to be kept as school property. They should be given the best of care. At the end of the school year the pamphlets should be collected by the high school teacher and given to the high school principal; they shall be kept for use of the classes in the succeeding years.

Enough copies of "Cooperative English Plan" are being sent so that each senior may have one for use; students may be allowed to retain possession of the pamphlet for personal use until the end of the year. Also please give one copy to each English teacher, whether she is a teacher of senior English or not.

Thirty copies of "Conjugation of the Model Verb To Take" are being sent for each English teacher. These pamphlets are for use in the classroom only; students are not to take them from the room.

The package sent to you containing the above-named pamphlets also contains extra copies of Forms 4, 5, 6 for use with verb tests; these forms are for the teachers of senior English. (See C. L. 111)

Very sincerely yours,

(Signed) JUAN B. HUYKE,
Commissioner of Education.
